

AIRWORTHINESS DIRECTIVE

This Airworthiness Directive, issued by the Civil Aviation Administration in accordance with the Israeli Aviation Regulations, applies to an aircraft for which our records list you as the registered owner. It affects aviation safety and requires your immediate attention. No person may operate an aircraft to which an Airworthiness Directive applies, except in accordance with that Directive.

APPLIES TO: Israel Aircraft Industries Ltd. (IAI),
models 1121, 1121A, 1121B, 1123, 1124 and 1124A.
all serial numbers.

SUBJECT: Addition of Structural Inspection Program to
section 5 of maintenance manual of each model.

REASON: Field experience and analysis have indicate that
cracks may appear in various location of the
structure.

ACTION: 1. Within 60 days Insert the IAI Structural
Inspection Program, dated March 15, 1990 or
later revision into section 5 of the
applicable maintenance manual.

2. Comply with the inspection procedures and
intervals as specified in the SIP.
